CALUMET COUNCIL ANNOUNCES
100 SCOUTS FOR 100 YEARS

As part of our celebration of the 100th anniversary of Scouting, Calumet Council's Centennial Committee would like to be sure that Scouting is highly visible throughout our region's communities during this anniversary year.

We are initiating a "100 Scouts for 100 Years" program aimed at getting 100 Scouts and Scouters in as many of our council's community parades and festivals as possible.

To that end, we are asking all of our members to submit the date location time for community events including parades (Memorial Day, Labor Day, etc.), community festivals and other events.

Submit event information to my attention at SMTroop123@comcast.net no later than April 16, 2010.

Once we get the event dates, we'll be looking for those 100 Scouts and Scouters to participate in each event!

Thanks for your help in making the Centennial a memorable experience for all Calumet Council's Scouts and Scouters!

Yours in Scouting,

Todd F. Dykton
Calumet Council
Vice President - Program
